3. TECHNICAL ELIGIBILITY CRITERIA

- i. The Average Annual Financial Turnover of the Bidder during the last 03 consecutive Financial Years, ending 31st March of the previous financial year should be at least **30%** of the estimated cost of the project (FY 2021-22, 2022-23 & 2023-24).
- ii) The Bidder must have experience of having successfully completed similar nature of works with Govt. or Semi-Govt. Departments / Govt. PSU's / Autonomous Bodies, during last 05 years ending last day of month previous to the one in which tenders are invited as follows:

03 (Three) similar** completed works costing not less than 40% of the estimated cost.

Or

02 (Two) similar** completed works costing not less than 50% of the estimated cost.

Or

01 (One) similar** completed work costing not less than 80% of the estimated cost.

**Similar nature of work means the works related to the Garbage Burning.

(Certificate to this effect to be issued by an officer, not below the rank of Executive Engineer or equivalent).

4. <u>SUBMISSION OF TENDERS</u>:

The tenderers are required to submit their tender under 2 bids system with Cover-I (Technical Bid Qualification) and Cover-II (Price Bid).

a. Cover-I (Technical Bid Qualification):

This cover shall contain scanned copies of the following:

- i. Proof of Tender fee and EMD deposited with the SMVDSB.
- **ii.** Copies of original documents defining the constitution or legal status, place of registration and principal place of business.
- iii. Financial turnover Certificate, year-wise, for the last three Financial Years i.e. 2021-22, 22-23 & 2023-24, duly certified by the Chartered Accountant with UDIN number.
- iv. Work Completion Certificates along with Letter of Awards of having executed and completed successfully works of similar nature as defined under Clause 3 of the Technical Eligibility Criteria, in any Govt. or Semi- Govt. Departments / Govt. PSU's / Autonomous Bodies during the last five years, duly issued by an officer, not below the rank of Executive Engineer or equivalent.
- v. Copy of PAN Card and GST registration certificate.
- vi. Reports on the financial standing of the bidder such as profit and loss statement, balance sheet for the last three Financial Years i.e 2021-22, 2022-23 & 2023-24 duly certified by Chartered Accountant and supported with ITRs of the last three Financial Years.
- vii. Bidder shall furnish proof of the latest returns in GST-3/GSTR-3B.
- viii. Signed and Stamped copy of Tender document (all pages) in respect of acceptance of all terms and conditions of e-NIT.

Note: Original documents if required to be verified, the same shall have to be facilitated by the bidder.

b. <u>Cover II (Price Bids)</u>:

- i. Price bid shall contain price quoted as per BOQs enclosed & is to be submitted online in the form of BOQ only as per **Annexure A**.
- **ii.** Price Bids shall be opened of only those tenderers who have qualified the Technical Eligibility Criteria.

iii. The price bid should be absolute and unconditional.

5. BILL OF QUANTITIES

- **i.** The Bill of quantities is enclosed as **Annexure A** for reference purpose. The online BOQ contains all the annexure i.e. A.
- **ii.** The quantities given in the Bill of quantities are tentative and provisional, and are given to provide a common basis for bidding. The basis of payment shall be as per the actual quantities of work ordered and executed, as measured and verified by the Engineer In-charge, SMVDSB and valued at the rates in the bill of quantities.
- iii. The advertised quantities (Individual as well as Overall) may increase or decrease up to 25% for which the bidder shall have to execute the extra quantities over the advertised quantities at the same rates. For the items executed lesser than the advertised quantities, actual payment of work executed shall be made.
- **iv.** SMVDSB, reserves the right to delete, add/modify any item of work during the operation of the work. The contractor shall have no claim on account of any such act.
- **v.** The Contractor shall be bound to execute extra items of works as directed by the Engineer In-Charge, SMVDSB.
- vi. The rates and prices in the bill of quantities shall, except as otherwise provided under the Contract, include all required equipments including labour, sundries, T&P, supervision, erection, maintenance during execution, insurance, profit, taxes and duties, packing and forwarding, loading and unloading, head Loads, together with all general risks, liabilities, and obligations set out or implied in the contract including the cost of remedying defects.
- vii. The cost of temporary works, if any like dewatering and drainage arrangements, establishment and maintenance of contractor's office and stores, watch and ward of site including workshop and stores, implementation of all safety procedures. Implementation of Environment related issues etc shall be part of work and shall not be paid extra.
- viii. The method of measurement of completed work for payment shall be accorded with relevant specifications and code practice.
 - **ix.** No escalation shall be paid during the contract period for completion of the work on the quoted rates or even during the extended period

6. SPECIAL CONDITIONS

- i. VARIATIONS: The advertised quantities of individual items may increase or decrease up to 25% for which the contractor shall have to execute, if any, the extra quantities over the advertised quantities at the same rates. Similarly, if the items executed are lesser than the advertised quantities, actual payment of work executed shall be made. In case the variation in quantities exceeds 10% the variation in the quantities and the cost implication shall be got approved from the competent authority by the Engineer-In-Charge.
- ii. Extra Item: Items not covered in the advertised rate list but found necessary

during execution of work at the site, the same shall be paid on the basis of J&K SOR, 2022 as per appreciation & depreciation and if not covered in the advertised rate list / J&K SOR, 2022 the same shall be paid on the basis of analysis of rates duly prepared / verified by the concerned Engineering-in-charge on the Lowest Market Rates prevalent in the market.

- iii. Tools & Plants (T&P) required for the work shall be arranged by the Contractor.
- iv. The Shuttering material required for the work shall be in the scope of the contractor.

7. CORRECTION OF ERRORS

- i. If there be a discrepancy between the unit price and the total price that is obtained by multiplying the unit price & quantity, the unit price shall prevail and total price shall be corrected.
- **ii.** If there be a discrepancy in figure and word the total amount stated in word shall prevail.

8. BID SUBMISSION / WITHDRAWAL

- i. Bids shall be submitted online within the stipulated deadline. SMVDSB, may at its discretion, extend the deadline of bid submission by issuing an amendment. In that case all rights and obligations of SMVDSB, and the bidders previously subject to the original deadline shall thereafter be subject to the new deadline as extended.
- **ii.** No bid shall be withdrawn by any of the participating tenderers. Withdrawal of bid after its submission shall result into forfeiture of EMD.

9. BIDDER'S SITE VISIT

J&K SOR, 2022 allow carriages, lead & lift for building materials from the source of supply to the site of work but in this contract nothing extra shall be paid on account of lead, Head Load, lift & carriages etc. The contractors/firms are therefore required to visit the site of work and quote their rates accordingly. Such site visit shall be at the bidder's own expense, risk and responsibility. Lack of knowledge of site /site conditions/working conditions shall not be considered as a reason whatsoever it may be. SMVDSB, shall however, facilitate such visits to the extent possible on written requests of prospective bidders.

10. COST OF BIDDING

The bidder shall bear all costs associated with the preparation and submission of his bid and SMVDSB in no case shall be responsible or liable for these costs, regardless of the conduct or outcome of the bidding process.

11. GENERAL CONDITIONS

- i. Tender without copy of requisite tender fee and in deficient of any conditions of e-NIT or submitted incomplete in any respect is liable to be rejected.
- ii. Conditional Tenders shall not be accepted and shall be outrightly rejected.

- iii. The Tender Fee is non-refundable.
- iv. Each Bidder shall have to submit only one Tender; submission of any additional Tender shall invite disqualification.
- v. The Tender offer shall be valid for **90 days** from the last day of receiving of the tender. However, prior to expiry of the original Validity Period, SMVDSB may, on the merit of case, request for extension of validity of the offer for a further period of maximum **30 (thirty) days** without any change in terms & conditions of the offer.
- vi. Even though any Bidder may satisfy the requirements of e-NIT, he/she would be liable for disqualification on grounds of submitting misleading / false information or deliberately suppressing the information in the forms, statement and enclosures in the Eligibility Criteria document and have record of poor performance such as abandoning work, leaving Contract incomplete or financial failures / weaknesses etc.
- vii. If any information furnished by the contractor is found incorrect at any stage, Contract shall be terminated and further penal action shall be initiated e.g. forfeiture of EMD / Performance Security / Security Deposit and debarring for period of three years for participating in SMVDSB tender process.
- viii. The contract as a whole or part thereof is Non-Transferable.
- ix. SMVDSB reserves the right to instruct the bidders to submit hard copy of any relevant document (and to produce the original documents for verification) during scrutiny & evaluation of bids. Bidders' failure to comply to such instruction may lead to rejection of bid.
- x. The Bidder shall comply with all the statutory provisions as laid down under various Laws/Act/Rules like Employees Provident Fund, ESI and other Laws/Acts/Rules in force from time to time.
- xi. The contractor shall be under obligation to comply with all statutory / labour laws / regulations in vogue.
- xii. The contractor shall have to execute the job under strict supervision and to the best satisfaction of Engineer In-charge, SMVDSB.
- xiii. SMVDSB reserves the right to accept or reject the bid, wholly or partly, or to split the work in parts and to add/delete any of the items, without assigning any reason whatsoever.
- xiv. In case of any dispute or clarification in Tender, the decision of the Chief Executive Officer, SMVDSB shall be final & binding upon the Bidder.
- xv. The contractor is bound to adhere to traffic regulations as is applicable from time to time and ensure arrangements of smooth regulation of traffic during execution of work.

12. EARNEST MONEY DEPOSIT (EMD) / BID SECURITY:

- The bidders shall have to deposit the requisite earnest money amounting to Rs. 41,124/-, in the official account of Shri Mata Vaishno Devi Shrine Board, Branch J&K Bank Katra, Account No. 0235040500001804, IFSC JAKA0KATTRA or it can be in the shape of CDR/TDR/FDR drawn from any nationalized/scheduled bank pledged to FA/Chief Accounts Officer, SMVDSB, Katra but not in the shape of Demand Draft (DD).
- Bid securities of the unsuccessful bidders shall be returned/released at the earliest after the expiry of the final bid validity period and latest by the 30th day

after the award of the contract to the successful bidder. Bid security shall be refunded to the successful bidder on receipt of performance security.

- **iii.** The Earnest Money Deposit (EMD) of the successful bidder shall be released on deposit of performance security.
- **iv.** A bidder's EMD will be forfeited if the bidder:
 - **a.** Withdraws or amends his tender;
 - **b.** Impairs or derogates from the tender in any respect within the period of the validity of the tender;
 - **c.** If the bidder does not accept the correction of his bid price during evaluation and;
 - **d.** If the tenderer fails to furnish the required performance security within the specified period.

13. <u>ALLOTMENT OF WORK</u>

- i) The work shall be allotted to the lowest bidder (L-1) quoting lowest price in the total price bid.
- After scrutiny and evaluation of Financial Bid, the Contract will be awarded to the Lowest Bidder and the successful bidder shall have to enter into an Agreement with the Shrine Board within a period of 14 days from the date of award of the Contract.

14. <u>PERFORMANCE SECURITY</u>

- i. The successful Bidder shall furnish performance security equivalent to **05% (five percent)** of the total value of the Contract, in the form of Bank Guarantee from any Nationalized / Scheduled Bank pledged to the FA/Chief Accounts Officer, SMVDSB, Katra within a period of **07 Days** from the issuance of Letter of Award. Failure to do so within the stipulated period, the contract shall be liable for cancellation together with forfeiture of the Earnest Money Deposit (EMD) of bidder / debarring him from participating in future tendering with the Shrine Board. The performance amount shall be released after completion of DLP and additional performance security (for un-balanced bid) shall be released after completion of Defect Liability Period.
- ii. If the bid of the successful bidder is seriously unbalanced in relation to the Engineer's Estimate of the cost of work to be performed under the contract, the Board may require the bidder to produce detailed price analysis for any or all items of BoQ, to demonstrate the internal consistency of those prices. After evaluation of the price analysis, the Board, may require that the amount of Performance Security set forth in clause 14(i) of this tender be increased at the expense of the successful bidder under the contract. The amount of increased performance security shall be as under:-

S. No.	% of unbalanced bid viz-a-viz adv. Cost	Additionalperformancesecurity to be deposited onquoted bid by L-1 over andabove the normal performanceto be given as per clause 14(i)
1	Upto and including 15% below	Nil
2	>15% below upto and including 20% below	5%
3	>20% below upto and including 25% below	7.5%
4	>25% below upto and including 30% below	10%
5	>30% below	12.5%

iii. The performance security shall be released on completion of Defect Liability Period on certification of Engineer In-charge, SMVDSB.

15. <u>SECURITY DEPOSIT</u>

- i. The Security Deposit equivalent to 05% shall be deducted from each running account bill and the same shall be released after completion of Defect Liability Period.
- **ii.** If the Contract price increases more than 10% of original contract value due to any reason, the contractor shall be under obligation to deposit the proportionately security amount within one weeks' time, falling which same shall be deducted from the bills raised by Contractor and kept as a security.

16. <u>CONSTRUCTION PROGRAMME</u>

The contractor shall submit a detailed construction/execution programme to the Engineer In-charge, SMVDSB within 5 days after the date of issue of LOA. The contractor shall also be required to submit a revised programme whenever the previous programme is inconsistent with actual progress explaining therein the reasons for the occurred delay.

17. <u>MATERIAL</u>

- i. The list of preferred makes of material for the work is enclosed at **Annexure B**.
- ii. The material not mentioned in the list and to be used for the work shall have to be approved by the Engineer In-charge before using it at the site by the contractor.

18. <u>TIME OF COMPLETION</u>

The time of completion of the work in all respect shall be **30 days** reckoned from **7**th **day** from the date of issuance of letter of award.

19. EXTENSION OF TIME FOR COMPLETION

The contractor shall be entitled to an extension of time for completion if the work is delayed by any of the following causes:

- i. Additional items beyond the scope of work have been asked for execution.
- **ii.** A cause of delay attributable to Shrine Board.

If the contractor considers himself to be entitled to an extension of time for completion, the contractor shall within 15 days of the happening of that event, apply for the same to Engineer-In-Charge for determining such extension of time for approval from the competent authority. The request made after this period shall not be entertained for consideration of any such request for time extension. Time lost due to Monsoon rains/ winter rains shall not be considered for granting any time extension.

20. RATE OF PROGRESS

If at any time the progress of work is slow or the progress has fallen behind the timeline fixed, the contractor shall have to adopt measures like increase in labour or contractor's personnel/resources. The contractor shall not be entitled to claim any extra incurred cost on account of acceleration of work due to such measures. If the contractor fails to accelerate the progress, then the Engineer In-charge shall be entitled to increase resources from his end at the risk and cost of the contractor to accelerate the progress of works after serving a notice to the contractor.

21. PROGRESS REPORTS

The Contractor shall submit a weekly progress report to the Engineer Incharge in three copies. The first report shall cover the period up to the end of first calendar month following the commencement date. Reports shall be submitted on weekly basis thereafter, each within 7 days after the last day of the period to which it relates. The progress reports shall be accompanied with colour photographs in both soft and hard copies.

22. QUALITY ASSURANCE

Apart from maintaining the time schedule strictly in accordance with the completion schedule of the project, you are required to produce works of outstanding quality in accordance with the specification & terms of the contract conforming to the highest standards / certificates.

23. SUSPENSION OF WORK

The contractor shall not suspend work on his own unless otherwise directed by the Engineer In-Charge in writing.

24. PAYMENTS

No payment shall be released to the contractor:-

- i. Without contract agreement duly signed by both parties.
- ii. Without test reports of mandatory quality control tests for various component of the advertised work from the Departmental Lab (which must be enclosed with the bill).
- iii. Without geo-tagged photographs before, during and after the execution of the work.

25. <u>TERMS OF PAYMENT</u>

With a view to ensure expeditious completion of the work, the contractor shall bereleased part payment as under:

- i. Payment shall be made on running A/c bills for completed items after joint measurement of the work done (to be carried out by the contractorand the Engineer In-charge).
- **ii.** Final payment shall be done after successful completion of the work in all respects and to the entire satisfaction of the Engineer In-charge andits due handing over to the SMVDSB.

26. PENALTY FOR DELAYS

- i. If the contractor fails to complete the work within the specified time of completion, the penalty shall be imposed @0.5% (half percent) per weekof unfinished work, subject to the maximum of 02% of the cost of the unfinished portion of the contract shall be levied from c1ontractor dues.
- **ii.** In case, the contractor fails to complete the work even after delaying the work beyond 04 weeks from the stipulated date of completion, Shrine Board reserves the right to get the remaining work executed at the risk and cost of the contractor. In addition, penal action in the shape of forfeiting of Performance Security, Security Deposit shall be taken against the contractor.

27. EMPLOYER'S TAKING OVER OF THE WORK

The Engineer In-Charge, SMVDSB shall, within 15 days after receiving the Contractor's application shall issue the taking over certificate to the contractor stating the date on which the works have been completed and defects, if any rectified. In case, the Engineer In-Charge is not satisfied with the completion then he will reject the application giving reasons and specifying the work required to be redone by the contractor to enable the taking over certificate to be issued. The contractor shall then complete this work before issuing a further notice. No part taking over of the works shall be allowed.

28. WARRANTY

The contractor shall be fully responsible for the manufacturer's warranty in respect of proper design, quality and workmanship of all the material, accessories etc. for a period of 12 months from the date of satisfactory completion of the job.

29. DEFECT LIABILITY PERIOD

The contractor shall be fully responsible for all the defects in respect of executed work for quality and workmanship including fixtures for a period of 02 year from the date of completion of work. Any defect occurring in the work including electrical, sanitary and plumbing fittings and fixtures due to poor quality or workmanship during defect liability period shall be rectified / replaced by the contractor at its own cost. In case failure to do so within specified time frame, the SMVDSB, shall be at liberty to take up the rectification work at the risk and cost of the contractor and recover the cost on account of rectification from amount due to the contractor and in the shape of Security Deposit / Performance Security and balance payment due to the contractor.

30. CORRECTION OF DEFECTS NOTICE DURING THE DLP

- i. The Engineer shall notice that Contractor of any Defects before the end of the Defects Liability period, which begins from the Completion Date and ends as specified in the Defect Liability Clause. The Defect Liability Period shall be extended for as long as the Defects remain to be corrected.
- ii. Every time notice of Defect / Defects is given, the Contractor shall correct the notified Defect / Defects within the duration of time specified by the Engineer's notice.

The Concerned Assistant Engineer / Junior Engineer / Work supervisor of respective PIUs shall constantly visit the roads to check the deterioration of the road under DLP and informed the concerned Executive Engineer about the condition of the road with photographs of potholes in case of the deteriorated road.

The Engineer may issue notice to the Contractor to carry out maintenance of defects, if any, noticed in his inspection, or brought to his notice. The Contractor shall remove the defects within the period specified in the notice and submit to the Engineer a compliance report.

31. TAXES, DUTIES AND OTHER LEVIES

- i. The contractor shall be solely responsible for the taxes that may be levied on the contractor/contractor's persons or on earnings of any of his office employee. The SMVDSB does not take any responsibility what-so-ever regarding taxes under Income Tax Act, for the contractor or his personnel. However as per the provisions of Income Tax Act, deduction of Income Tax for the executed work, at source shall be made by SMVDSB.
- **ii.** All other duties / levies payable by the bidder shall be included in the bid price and no claim on this behalf will be entertained by SMVDSB.
- **iii.** The price quoted in the BOQ shall be inclusive of all taxes and GST.

32. CONTRACTOR'S OPERATION AT SITE

The Contractor shall be responsible for keeping unauthorized persons off site. The contractor shall confine his operations to the site. During the execution of work, the contractor shall keep the site free from all unnecessary obstruction and shall clear away and remove from the site any scrap, wreckage, rubbish and temporary works which are no longer required.

33. <u>REMEDIAL WORK</u>

Notwithstanding any previous test or certification, the Engineer In-charge may instruct the contractor to:

- (a) Remove from site and replace any material which is not found as per specifications.
- (b) Remove and re-execute any work which is found defective and is not inaccordance with the contract.
- (c) Execute any work which is urgently required for the safety of the works, whether because of an accident, unforeseen event or otherwise.

If the contractor fails to comply with the instruction within the reasonable time specified in the instructions, the Engineer In-charge, SMVDSB shall be entitled to employ and pay other persons to carry out the work and recover the cost from the contractor.

34. FOSSILS

All fossils, coins, articles of value or items of archaeological interest found on site during excavation or otherwise shall be handed over to the Engineer. It shall become the property of the owner.

35. QUALITY ASSURANCE / TESTING OF MATERIALS AND WORKS

The Contractor shall institute a quality assurance system to demonstrate compliance with the requirements of the contract.

Details of all procedures and compliance documents shall be submitted to the Engineer In-charge before each work commencement stage commences.

This clause shall also apply to all tests required to be done periodically or otherwise on materials and works. The contractor shall provide all assistance viz. Men and Material, consumables etc. to the Engineer In-charge or his representatives to carry out the tests efficiently. The testing of materials shall be done in the Site laboratory set up by Shrine Board at SMVDIME, Kakryal. The tests for which the facility is not available in the site laboratory shall be got done from any other authorized laboratory as

suggested by the Engineer In-charge. All such tests shall be done at contractor's expense.

36. ELECTRICITY & WATER

Electricity and water for the work shall be in the Scope of Contractor. Further distribution shall be done by contractor at his own expenses and the cost of same shall be deemed to have been included in the rates. Electricity/Water for labour camp shall be arranged by contractor at his own expenses.

37. <u>SAFETY</u>

The contractor shall be responsible for safety of all activities at site of work.

38. LABOUR

The contractor shall make his own arrangements for the engagement of all staff and labour, local or other, and make necessary arrangement for housing, feeding and transport at his own.

39. INDEMNITY

The contractor shall keep indemnified Shri Mata Vaishno Devi Shrine Board against all the losses, claims, injuries or damages to any persons or property which may arise out of or in consequences of this contract at its own cost. Any damage caused to the private / public property during execution of the works shall be in the liability of the contractor and no claim on account of any such restoration to be carried by the contractor shall be entertained by the Shrine Board.

40. <u>CLEARANCE OF SITE</u>

The contractor shall clear the site of the contractor's equipment, surplus material, wreckage, rubbish and temporary works from the site except that required to remedy notified defects, if any. In case the contractor fails to clear the site, the Engineer-In-Charge, SMVDSB shall remove those items from site of work at the risk and cost of the contractor.

41. TRAFFIC REGUALTIONS:

The contractor is bound to adhere to traffic regulations as is applicable from time to time and ensure arrangement of smooth regulation of traffic during execution of work.

42. <u>CANCELLATION / TERMINATION OF THE CONTRACT IN FULL OR IN</u> <u>PART:</u>

- a. If the contractor:
 - i. at any time makes default in proceeding with the works without due diligence and continues to do so even **7 days** after a notice in writing from the Engineer In-Charge, SMVDSB; or
 - ii. commits defaults in complying with any of the terms and conditions of

the contract and does not remedy it within **7 days** after a notice in writing is given to him in that behalf by the Engineer In-Charge, SMVDSB; or

- iii. fails to complete the works or any part of the work on or before the date of completion and does not complete them within the period specified in notice given in writing in that behalf by the Engineer In-Charge, SMVDSB; or
- **iv.** has obtained contract with the Shrine Board as a result of ring tendering or other non- bonafide methods of competitive tendering;

the Shrine Board shall outrightly cancel the contract by a written order to the contractor. In the event of cancellation, the contractors EMD / Performance Security / Security Deposit shall be forfeited.

- **b.** The Shrine Board shall on such cancellation have powers to:
 - i. If the work is not completed even after **7 days** after due date of completion, the Contract shall be terminated and work shall be executed as per the discretion of the Board including the option of offering the work to any other firm or inviting fresh tenders at the risk and cost of the Contractor with the penal cost to an extent of 20% cost of the unfinished works. The liquidated damages and penalty imposed shall be adjusted against this amount and balance, if any, shall be recovered from other dues (work done or deposit) of the Contractor.
 - ii. Take possession of the site and any materials, machinery, implements, stores, etc. thereon, and make out a list of such material in presence of the representative of the contractor who shall have to be present on one day notice and in case of non-compliance of the notice, measurements taken by the Shrine Board representative shall be considered as final and contractor will have no claim of any sort regarding this.
 - **iii.** Carry out the incomplete work by any means at the risks and cost of the contractor.
 - iv. On cancellation of the contract in full or in part, the Engineer In-Charge, SMVDSB shall determine what amount, if any, is recoverable from the contractor for completion of the works or in case the works or part of the works not to be completed, the loss or damage suffered by Shrine Board. In determining this amount, credit shall be given to the contractor for the value of the work executed by him up to the time of cancellation, the value of the contractor's materials taken over and incorporated in the work, and use of machinery belonging to the contractor.
 - v. Any excess expenditure incurred or to be incurred by the Shrine Board in completing the works or part of the works or the excess loss or damage suffered or may be suffered by the Shrine Board as aforesaid after allowing such credit shall be recovered from any amount due to the contractor on any account including forfeiting of Performance Security / Security Deposit and if such amount is not sufficient, the contractor shall be called upon in writing to pay the same, within 30

days of the notice given to that effect by the 'Engineer In-Charge'.

- vi. If the contractor fails to pay the required sum within the aforesaid period of 30 days, the Shrine Board shall have the right to sell any or all of the contractor's unused materials, machinery, implements, etc. and use the proceeds of sale thereof towards the satisfaction of any sums due from the contractor under the contract and in accordance with the provisions thereof.
- vii. Any sums in excess of the amounts due to the Shrine Board and unsold materials constructional plant, etc. shall be returned to the contractor, provided always that if cost or anticipated cost of completion by the Shrine Board, of the works is less than the amount which the contractor would have been paid had he completed the works, such benefit shall not accrue to the contractor.
- viii. Notwithstanding the above clause, the SMVDSB reserves the right to accept or reject any bid, and to cancel the bidding process and reject all bids, at any time prior to the award of contract, without thereby incurring any liability to the affected bidder or bidders or any obligation to inform the affected bidder or bidders of the grounds for SMVDSB action.

43. FORE CLOSURE OF THE CONTRACT

Foreclosure in full or in part due to abandonment or reduction in scope of work:

- i. If at any time after acceptance of the tender, Shrine Board decides to abandon or reduce the scope of the works for any reason whatsoever and hence not require the whole or any part of the works given to be carried out, the Engineer In-Charge shall give notice in writing to that effect to the contractor and the contractor shall have no claim to any payment of compensation or otherwise whatsoever, on account of any profit or advantage which he might have derived from the execution of the works in full, but which he did not derive in consequence of the foreclosure of the whole or part of the works.
- **ii.** The contractor shall be paid at contract rates full amounts for works executed at site duly certified by the Engineer In-Charge.

44. FORCE MAJEURE

If during the currency of contract, there is any outbreak of war, fire, major floods, earthquake, riots (other than among the contractor's employees) and similar other causes which whether financially or otherwise affects the execution of the Contract; the contractor unless contract is terminated under provision of this clause shall make his / her best efforts to complete the contract. However, after the outbreak of such war, Shri Mata Vaishno Devi Shrine Board shall be entitled to terminate the contract at any time by giving notice in writing. Force Majeure is hereby defined as a clause which is beyond the control of SMVDSB / Contractor and which consequently affects the performance of the contract.

45. ARBITRATION

Any of the parties may apply to the Chief Executive Officer of Shri Mata Vaishno Devi Shrine Board for the appointment of the Arbitrator in the event of any dispute/difference. On receipt of such request, it shall be lawful for the Chief Executive Officer to appoint an Arbitrator to adjudicate upon the dispute/differences. The Arbitrator so appointed shall enter upon reference and decide the dispute in accordance with The Arbitration & Conciliation Act, 1996. Place of arbitration shall be Jammu.

46. JURISDICTION

The Courts at Katra alone shall have the jurisdiction with respect to the subject matter of the Contract.

Sd/-(Pawan Kumar Goswami, JKAS) Dy. Chief Executive Officer

No: CO/Dev/658/4320 Dated: 27.12.2024

Bill of Quantities (Annexure-A)

Subject: Installation of Solid Waste Incinerator (04 units) for burning of garbage at Solid waste at Kill waste centre, Ballani, Katra

S. No.	Particular of Items	UOM	Qty	Rate (in Rs.)	Amount
1.	Earth work in excavation by manual means in trenches for foundations, drains, pipes, cables etc. (not exceeding 1.5 m in width) and for shafts, wells, cesspits and the like not exceeding 10 sqm on plan, including dressing of sides and ramming of bottoms lift upto 1.5 m, including getting out excavated earth and disposal of surplus excavated earth as directed: All kinds of soil : (1 meter from cutting edge)	Cum	9.27	479.30	4443.11
2.	Centering and shuttering including strutting, proping etc. and removal of form for walls (any thickness) including attached pilasters, buttresses, plinth and string courses etc.	Sqm	75.74	628.95	47636.67
3.	Providing and laying cement concrete in retaining walls, return walls, walls (any thickness) including attached pilasters, columns, piers, abutments, pillars, posts, struts, buttresses, string or lacing courses, parapets, coping, bed blocks, anchors blocks, plain window sills, fillets etc upto floor V level, including curing but excluding the cost of centring, shuttering and finishing with. 1:3:6 (1 cement : 3 coarse sand : 6 graded stone aggregate 20 mm nominal size)	Cum	28.21	7564.80	213403.01
4.	Providing and laying in position cement concrete of specified grade including curing but excluding the cost of centring and shuttering. All work upto plinth level with: 1:4:8 (1 cement : 4 coarse sand : 8 graded stone aggregate 40 mm nominal size)	Cum	48.60	5202.90	252860.94
5.	Demolishing cement concrete manually/by mechanical means including disposal of material within 50 meters lead as per direction of Engineer-in- charge. 1:4:8 or richer mix (i/c equivalent design mix)	Cum	9.35	1064.55	9953.54
6.	Dismantling steel work in built up sections in angles, tees, flats and channels including all gusset plates, bolts, nuts, cutting rivets, welding etc. including dismembering and stacking within 50 meters lead.	Kg	4520.50	4.30	19438.15
7.	Structural steel work in built up sections, trusses and framed work, including cutting, hoisting, fixing in position and applying a priming coat of approved steel primer all complete. Welded.	Kg	5892.00	138.20	814274.40
8.	Providing corrugated G. S. sheet roofing	Sqm	540.99	1158.35	626655.77

9.	 including vertical/curved surface fixed with polymer coated J or L hooks, bolts and nuts 8mm diameter with bitumen and G.I limpet washers or with G.I. limpet washers filled with white lead, including a coat of approved steel primer and two coats of approved paint on overlapping of sheets complete (upto any pitch in horizontal/vertical or curved surface)excluding the cost of purlins, rafters and trusses and including cutting to size and shape wherever required 0.80 mm thick with zinc coating not less than 275 gram/m2. Providing and fixing on wall face unplasticized Rigid PVC rain water pipes conforming to IS: 13592 Type A including jointing with seal ring conforming to IS: 5382 	Rmt	21.34	366.30	7816.84
10	leaving 10 mm gap for thermal expansion. 110 mm diameter				
10.	Carriage of material by mechanical transport (loading, unloading complete)				
a)	Sand for average lead 55km	Cum	34.56	796.34	27521.51
b)	Stone Aggregate for average lead 25km	Cum	69.12	465.14	32150.48
	Total (in Rs.) 20,56,154.42				20,56,154.42

No: CO/Dev/658/4320 Dated: 27.12.2024 Sd/-(Pawan Kumar Goswami, JKAS) Dy. Chief Executive Officer
